

Entry Level Sign Production & Installation Associate

Pinnacle Custom Signs, a family-owned, full-service commercial sign company located in Buford, has an immediate opening for a production/installation associate to join our fast growing team.

This person would be responsible for the production of signs in our facility, as well as the occasional installation of signs throughout the Atlanta area. Job duties include physical labor such as digging holes, climbing ladders, and lifting signs that would exceed 50 pounds, in addition to manufacturing signs in the facility.

Skills required include:

- Self-motivated and hardworking individual with a good attitude who wants a career in the sign industry.
- Mechanically inclined individual who can produce and install signs as well as work through installation situations and come up with a solution.
- Physically able to handle the demands of the job.
- Ability to be a team player and be part of a dynamic organization.
- Good Driving record

This is an entry level position into the industry. No prior sign experience is necessary but it would be helpful.
